Class Poem

Quiet as if waiting;
    We pause before we leave.
A silence of regretting,
    As memories weave.

If you listen closely
    I'm sure you'll hear,
An echo in the walls
    A voice so dear.

A tear, a laugh, a joy;
    These things left behind,
As we go marching forward
    To lead mankind.

We leave behind us now
    The beginning of a book.
A preface to the dances, games;
    Courses that we took.

We leave a wish
    As we take one last look.
"May we each gain one good page
    To contribute to life's book."

—Dolores Browne

"Rugged mountains 'round about us
Rise to greet our happy throng,

With our joyous triumph song.

All our hearts in Southington High School;
All our cheers are for the blue
Loyalty shall be the watchword
Of our band so staunch and true."

"Happy are the days we spend here,
As we upward, onward move.
May our heart's devotion never
Faithless or disloyal prove.

And when time shall make us workers
In the world of might and right,
May our love for Southington High School
Keep our banner's honor bright."

These ten girls practiced vigorously three times a week, and enthusiastically cheered the teams on to victory. The school offers its gratitude to the cheerleaders and their advisor, Miss Carroll, for their loyalty, hard work, and enthusiasm throughout the year.

The Senior Cheerleaders included Co-captains Tedi Mayo and Joan Cooley, Veronica Hubney, Marion Morse, and Maureen Watts.

The Junior Cheerleaders are Barbara Wink, Barbara Kitchen, Barbara Ogonoski, Selah Hamlin, and Ann Carmody.
